#### PREVENTS IMMORALITY

Says Municipal Symphony Concert Would Result In Lower Taxes.

(Washington Herald-Cross Atlantic Service. Special Cable Dispatch.)

London, June 19 .- "Repression of the human impulses of young men and women is futile as a preventive of immorality. Nature provides the real remedy," George Bernard Shaw declared here in a public address before the British Schoolma'ms Near to Hair Musical Society.

"If municipalites really want to raise the morals of a district, they must remember that the community consist very largely of young people growing up.

"At a certain period of their lives when they begin to take more general interest in human relations. and before they can afford to get a policy of puritanism-a policy of strict repression of their human "There must be an outlet for after they are married.

# BUYER CALLED

H. Gordon Selfridge, Chicago-London Merchant Predicts Price Drop.

"HAS BEEN NO CRISIS"

Calls Market Change Due to General Declines All Over World.

By CARL W. ACKERMAN. Washington Herald-Public Ledger Service, Special Cable Dispatch.) London, June 19 .- H. Gordon

Selfridge, American merchant, who retired from business in Chicago and founded one of the largest department stores in London, foresees a great change in world markets due to decline in prices both here and abroad.

Replying to a questionnaire submitted by the Public Ledger foreign service, Mr. Selfridge said while he is not apprehensive of either panic or collapse in commerce, he does believe "the very easy times makers and sellers of merchandise have had all over the world in the last four or five years approach an

"Buyers' Market" Coming.

"We shall before long." Mr. Selfridge wrote, "reach that more normal period when the seller courts the buyer and finds himself obliged to work energetically to dispose of office to receive buyers who beg to be favored with a part, at least, of requirements. We have had a setlers' market and we are before long going to have a buyers' market. "I look for a general decline in

no reason why those lower prices should later be stiffened. "The fact is often neglected, thinking of costs of merchandise, that a very large part of costs is money paid for labor."

Stores Stocked Too Full.

Asked concerning conditions in sential. wholesale houses and big distributing concerns, Mr. Selfridge replied: I believe virtually every department in every house, wholesale and was wounded and the young stocked. We have all listened for several years to prophecies of those who had stuff to sell and who insisted that if we did not buy at rand says. later, so that almost every house shelves too full and is not prepared to take advantage of offers which his plate completely finds himself unable to take a bunch of grapes weight of the object levitated.
